

THAT GRATITUDE GUY

## **That Gratitude Guy Speakers Kit**

David George Brooke, That Gratitude Guy, presents enlightening and empowering presentations that give one the tools and techniques to take charge of their life. Whether you have suffered personal or professional losses or are just looking to manage the stress in your life, then these are the presentations for you. Talk titles:

*"Happiness Starts With Gratitude."*  
*"Gratitude Creates Peak Performance"*  
*"Maximizing Employee Happiness Through Gratitude".*  
*"Find You, Find Your Passion, Find Your Purpose"*

By using simple exercises to break old habits and beliefs, one is able to re-form and re-focus their life on a very positive track. Attendees are able to more successfully fend off the negative forces that work against us all and create new skills including:

- How gratitude can overcome any life-changing event.
- Key exercises/tools to keep a positive focus and expectations.
- Enacting the power of writing in a daily gratitude journal.
- Increased job performance, better morale and engagement.

### **BIO**

## Testimonials

*"I'm glad I was there for your session. My blood pressure went down 10 points just realizing how much I do have to be grateful for!"*

Lisa J. YVOIC LaConner, WA

*"David recently presented at our company's inaugural Gratitude Day. The concepts he uses are experiences people can relate to, and really resonates with his audience. David is a high-energy, dynamic, engaging and entertaining speaker that tailors his message to the specific audience. I look forward to working with David again in the future, and I'm grateful to know him!"*

Scott Wetzel / President & CEO

WINDERMERE SERVICES MOUNTAIN WEST

*"David's workshop helped change the culture of my staff. We became more thankful and respectful of what we each contribute to make big things happen. Gratitude has worked its way into our communication with one another."*

Beth Wojick, President & CEO

Special Olympics Washington

*"David's workshop really set the perfect tone for our staff retreat. His words were inspirational, and he provided staff members with good, practical methods for embracing life through gratitude"*

Phil McConnell, Executive Director

Work Opportunities Inc.

*"David's message is life changing. Hearing his story and how he was able to overcome great loss and challenging obstacles by choosing to focus on gratitude inspired me to change my own outlook; to seek the positive and to be intentionally thankful. I realize now there is much more for which to be grateful than I had previously recognized. I am grateful for David and his passion to share this message."*

Lora Ueland, Executive Director Valley Communications Center

*"I very much appreciated the opportunity to hear you speak so eloquently on creating our own happiness."*
